ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER

---

This application was received electronically at the Board of Patent Appeals and Interferences on August 10, 2006. A review of the application has revealed that the application is not ready for docketing as an appeal. Accordingly, the application is herewith being returned to the examiner. The matters requiring attention prior to docketing are identified below.

On April 18, 2006, an Examiner's Answer was entered into the record. In the Evidence Relied Upon section, page 2, paragraph 8, the examiner has stated, "No evidence is relied upon by the examiner in the rejection of the claims under appeal."

Application No. 10/688,859

A review of the file reveals that reference to Ohta et al. (Patent No. 5,117,916) was applied to the statement of rejections in the Grounds of Rejection, paragraph (9) of the examiner's answer. Before further review, the examiner must submit a corrected examiner's answer that will include in the Evidence Relied Upon section, the list of reference mentioned in the statement of rejections. See the Manual of Patent Examining Procedure, (MPEP) 1207.02. Appropriate correction is required.

Accordingly, it is

**ORDERED** that the application is returned to the Examiner for:

1) vacate the Examiner's Answer mailed April 18, 2006, and issue a revised Examiner's Answer having the missing reference listed under the Evidence Relied Upon section, paragraph (8); and

Application No. 10/688,859

2) for such further action as may be appropriate.
